

# A.D.A.M. Anatomy Practice

*Enhance the study human anatomy with this exciting interactive learning application.*

## *Product Features*

Thousands of Pinned Structures in Nearly 500 Images	Compare up to Four Images Simultaneously
Radiographs and Cadaver Photographs	Navigate Easily to View Structures in Related Images
Attach Personal Notes to Particular Images for Review	Print Lessons as Microsoft Word Documents
Print Lessons as Adobe Acrobat PDF files	Customize Tests to Focus on Specific Regions and Systems.
More than 14,000 Possible Identification Questions and Over 700	Focus Testing by Using the Search Feature to Narrow Answer

## *Grade Level*

**College • University**

## *Detailed Product Information:*

Written at the Undergraduate level, the Anatomy Practice CD-ROM allows students to review thousands of pinned structures within hundred of anatomical images. Students can compare up to four images simultaneously including illustrations, radiographs, and cadaver photographs. Images and notes can be printed for later review. This CD-ROM also includes a testing mode with over 14 000 identification and objective questions.

Anatomy Practice is easy to navigate and allows students the ability to attach notes to important images. These images and associated notes can be printed for convenient review.

Students can also revert to a testing mode which allows them to take an anatomy test with pinned images similar to the lab practicals given to them at school. The testing mode allows students the ability to customize their tests for focusing on specific regions and systems.

## *System Requirements:*

# About Tangent

## *Ordering Information*

Tangent Scientific accepts official purchase orders from recognized institutions. We require prepayment for individuals, home-schoolers, and businesses. You may place a purchase order with Tangent by e-mail, mail, fax, or telephone.

## *Have a product or curriculum question?*

Tangent Scientific can answer your questions and help you select the best software available to suit your needs. We strongly encourage you to call or e-mail our office with any questions you may have.

## *To request product information, brochure or catalog?*

Call or e-mail your request to our office and we will be happy to forward all available product information.

## *Previews*

At your request software can be previewed and evaluated before you commit to the purchase – just by calling 1-800-363-2908. Previews are full, complete versions of the program that are made available to interested educators for a trial period of 15 days without the need for an official purchase order. Call for further details!

## *Request a Quote*

For competitive product pricing on larger network, building, site or district licenses and custom software packages, please contact customer service by telephone or e-mail. Please be sure to include which product(s) you are interested in, and the number of users you wish to purchase.
