Detailed Product Information:

The A.D.A.M. MediaPro CD-ROM puts over 2,000 digital-quality clinical anatomical images at your fingertips for use in a variety of documents or within web pages. Superbly detailed and accurate, the images are organized into four collections: Normal, Trauma, Pathological, and Surgical. The main categories are further organized in regional subsets for easier access and identification.

A.D.A.M. MediaPro also contains Presentations, bundles of related images that illustrate injuries, pathologies, surgical procedures and trauma. The "Thumbnail Image" directory makes navigation and pinpointing specific illustrations easy. Images are viewable with any HTML browser.

You'll find all images in a JPEG format, making them compatible with the popular presentation packages, such as: PowerPoint, Adobe PhotoShop, and A.D.A.M. Interactive Anatomy, for quick and easy integration into critical documents and presentations. For in-use answers about A.D.A.M. MediaPro, a convenient HTML on-line help is included.

The product comes with Microsoft Internet Explorer 4.0 for easy viewing of images, and contains a direct link to A.D.A.M. OnLine. For in-use answers about the product, convenient HTML on-line help is included. This collection gives you that longed-for capability: to be able to create your own dramatic presentations with A.D.A.M. images from the powerful MediaPro!

About Tangent

Ordering Information

Tangent Scientific accepts official purchase orders from recognized institutions. We require prepayment for individuals, home-schoolers, and businesses. You may place a purchase order with Tangent by e-mail, mail, fax, or telephone.

Have a product or curriculum question?

Tangent Scientific can answer your questions and help you select the best software available to suit your needs. We strongly encourage you to call or e-mail our office with any questions you may have.

To request product information, brochure or catalog?

Call or e-mail your request to our office and we will be happy to forward all available product information.

Previews

At your request software can be previewed and evaluated before you commit to the purchase – just by calling 1-800-363-2908. Previews are full, complete versions of the program that are made available to interested educators for a trial period of 15 days without the need for an official purchase order. Call for further details!

Request a Quote

For competitive product pricing on larger network, building, site or district licenses and custom software packages, please contact customer service by telephone or e-mail. Please be sure to include which product(s) you are interested in, and the number of users you wish to purchase.
